Griffinpondanimalshelter.com
967 Griffin Pond Rd, S Abington Twp., PA 18411

The Griffin Pond Animal Shelter (GPAS) foster program places animal who are too young, injured, or under-socialized to be adopted in safe, temporary homes with caring individuals so that they can grow, heal, and become ready for adoption. Previous fostering experience is not necessary, but basic knowledge of animal care and obedience training is helpful. Fostering can be an extremely rewarding experience but is also time consuming and a substantial responsibility. More importantly, fostering saves lives!

Name: _____ Date: _____

Address: _____

City: _____ State: _____ Zip: _____

Home Phone: _____ Work Phone: _____ Cell Phone: _____
